

Amendments to the Drawings

Figure 1B as originally submitted and subsequently amended stands objected to by the Examiner. The stated objections are to the lack of descriptive legends, such as “network node”, “virtual path”, and “physical path.”

The attached sheet of drawings includes changes to Figure 1B. This sheet replaces the originally submitted drawing sheet and other subsequently submitted drawing sheets for Figure 1B. Changes have been made to the figures to respond to the objections (i.e., various legends).
